Summer Staff can expect one of the most challenging, stretching and hardest summer's of their lives, and also one of the most rewarding. It is an opportunity to put your faith into action by working alongside youth groups from all over the United States in the mission field. You will be stretched to your limits serving these youth by stocking and running daily worksite mission projects, facilitating nightly worship services, preparing meals, and of course, playing. Exhausting? Yes. Exhilarating? Absolutely!
Our Summer Staff make TEAMeffort Youth Group Mission Camps happen!

Summer Staff must have a desire to work with youth in the mission field, a high energy level, patience, a sense of humor and enthusiasm as well as a desire to lead and serve. All Summer Staff must also show good communication skills with youth and peers, be able to accept supervision and instruction well, and readily take the initiative to get tasks done.

Please Note:
