FAQ's

Where are the mission sites at this camp?

We usually do construction based projects such as wheelchair ramps, decks, porches or roofs. In Rockport, we will be working to help rebuild homes that were affected by Hurricanes that came through the area causing wind damage to homes.

Will our group serve together on the mission site?

Yes, we will keep your group together. However, larger groups may be put on multiple sites to make sure everyone is working.

What activities are scheduled for the evenings?

TEAMeffort has planned evening worship services geared directly for the youth. They include some of the following each night: games, skits, videos, music and a message from one of the adult or college staff. Thursday night closing programs are always special and an important wrap-up for the week. On Friday nights we have an evening of fun fellowship with the TEAMeffort Staff for any groups that are back at the camp for the evening.

What We Do

Logistics... We handle the details such as *mission sites, tools, food, lodging and programs* so you will have more time for fellowship, work and worship with your youth.

Programs and Music... Your group will grow from evening programs with challenging messages, skits, dramas, and contemporary praise and worship.

Tools & Materials Provided... All you have to bring is your group. Your mission site will be stocked with all of the tools and materials needed, so you can spend time working with your group instead of preparing your site.

Site Leadership... We have skilled and helpful supervisors on the mission sites to assist your group with the technical and practical aspects of the job.

Group Building... Your group will work together as a team to accomplish your youth mission project and will also get the opportunity to meet, interact and worship with youth from other groups. You only have to provide transportation for your own group, avoiding the liability of taking youth from other groups in your vehicles.

Staff... You will find an energetic, hardworking and fun staff at TEAMeffort. They dedicate their entire summer to missions and are strong Christian role models for your youth. The staff will spend time building relationships with your group, working with them on the work sites, organizing the games and activities, and leading worship at the evening services.
