

TEAMeffort Chaperone Expectations:

These trips are designed for youth to put their faith into action. TEAMeffort strives to provide an impactful week for every youth that comes to camp. Even though it may take longer, each chaperone and leader should be willing to allow their youth to do big and small tasks on their project. As an adult and role model, you should set the tone for the trip by:

- **Expect to eat, sleep and serve with your students.**
- **You should work with and assist youth with their project while exemplifying a servant leader behavior.**

1 Peter 5:3, “Not domineering over those in your charge, but being examples to the flock”.

- **Always be on the lookout for teachable moments and be willing to hand off tasks to students.**

Luke 22:26, “But not so with you. Rather, let the greatest among you become as the youngest, and the leader as one who serves.”

- **Remember the goal of your trip is not to finish your project, but to serve the homeowner and to build lasting relationships with your youth.**

Acts 20:35, “In all things I have shown you that by working hard in this way we must help the weak and remember the words of the Lord Jesus, how he himself said, ‘It is more blessed to give than to receive.’”

- **Show your students how to serve humbly and joyfully.**

Galatians 5:13, “You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh; rather, serve one another humbly in love.”

- **Be willing to follow the leadership of the TEAMeffort Staff.**

You will be assigned a TEAMeffort staff member for the week. Usually our staffs are made up of college aged men and women who have dedicated their summer to serving. They have been trained to lead you through your project for the week and are excited to do so! While we value your skilled help, please know that codes and needs are different at each camp. We train our staff to do projects the easiest way for your youth, the most cost effective way, and within codes of the area.
